## Commune PRIVACY

Commune takes your data privacy very, very seriously! We do not sell information about you to third parties. Commune has also taken unique steps that safeguards you when you use our site.

Please read this document if you have time but rest assured that **we are not in the business of selling you and your details**. Our site features people of a similar demographic and interests hence while we do plan to eventually have partnerships we will not be digging through your email, messages, life, data points and location to identify you as part of a target market. The truth is we know our target market so we don't need to spy on you all hours of the day **-YOU ARE NOT OUR PRODUCT!**

We store your Email, Name, Interests, your 3 Locations, Occupation, Relationship status that you choose when you register for an account-that's all ! We do not sell this to anyone or give anyone access to this information.

We may use this information to share with vetted members on our site, protect Commune and its users from spam, viruses, identity theft, illegal or harmful activities, as well as to understand how people use the site, which features work and which don't, and to help us develop and improve the Site's features and services.

**We do not use facebook, twitter, google, instagram for you to sign up and give up all security.**

**DATA STORAGE AND DELETION OF ACCOUNTS AND DATA** We are committed to protecting the security of your information. We use a variety of industry- standard security technologies and procedures designed to help protect your information from unauthorized access, use, or disclosure. Despite these measures, you should know that we cannot fully eliminate security risks associated with information and mistakes may happen. You can access or change your personal profile and contact information or delete your account through your X personal settings page.

### **CHILDREN UNDER 18**

Please contact us if you become aware that a child under the age of 18 is using the Site, or has posted personal information about themselves on the Site, and we will work to remove both the information and the child's account.

### **CHANGES TO THE 3D PRIVACY POLICY**

Commune may update this policy from time to time. We will let you know if we make significant changes by sending a notice to the email address connected with your account, or by placing a notice in a prominent place on our web site. If we make a significant change, the notice we provide will indicate when the change will be effective. If you do not agree with the upcoming change, please delete your account. If you continue to use the Site after the stated effective date, you will be deemed to have accepted the change.

### **CONTACT INFORMATION**

We welcome your comments or questions regarding this Privacy Policy. Please e-mail [admin@commune.one](mailto:admin@commune.one)

This privacy policy sets out the basis on which any personal data that we have collected about you, or that you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it.

We review this privacy policy regularly. Occasionally we may need to make changes or additions to this privacy policy that may affect how we handle your data. We will post new versions of this privacy policy on our website at [www.commune.one](http://www.commune.one) (the "Site"), more specifically on our privacy policy page. We may also notify you of changes to this privacy policy by email.

This privacy policy was last reviewed and updated on 13 October 2022.

## WHAT INFORMATION WE COLLECT, MAY COLLECT, AND HOW WE COLLECT IT

When you apply for an Commune Membership, register as a Commune Member, register as a Basic Account Holder, or make a hotel booking on our Site, we will collect personal information from you, such as your name, email address, country of origin, location only and other data you upload or enter into your profile.

This personal data is entered by you during the application or registration process or shared by you through another social media service, in order to become a member of Commune, or apply for membership or use another Commune Service.

We do not store credit card information; this is handled by a third party who fully complies with the Payment Card Industry's Data Security Standard (PCI-DSS). You may also voluntarily provide personal information when you send us an enquiry or raise a support request via email. When you use Commune, you may share your location data with us to optimise your experience on the Site and Apps and inform other members of your upcoming travels. This data is voluntary and is shared with us and other members of the community and may be used to suggest other members to connect to you and you to connect to other members.

Surveys are periodically conducted to collect information to help us improve the Site, our Apps and Services. All information collected through surveys will remain voluntary and confidential, even if we use a third party to help us conduct the survey.

Any information you disclose in public areas of the Site and Apps may become public information. Please exercise caution when disclosing personal information in these areas. We are not responsible for any use by third parties of personal information disclosed by you in public areas of the Site.
